ACKNOWLEDGEMENT OF RISK AND CONSENT

I acknowledge that there are risks inherent in any youth program, including but not limited to injury or death arising from:

- Participation in sports activities
Participant's failure to follow instructions of supervisors
Impact with other individuals, instructors or spectators, objects or equipment used in the classroom
Changes in the type of surface and the condition of each surface, including the classroom and washrooms
Adverse weather conditions, loss of balance, failure to participate safely within one's own ability
Theft
Consumption of food and drink, whether made by professionals or by non-professionals
Negligence of other participants or BCIT staff

I acknowledge that all risks cannot be prevented, and assume those beyond the control of BCIT staff and volunteers. In order to minimize risks to my child or other participants, I will take responsibility to see that my child is prepared for all activities and is in good health each day of the session.

I also give permission for camp staff members to administer first aid treatment to my child, and acknowledge that I will be responsible for any medical or other charges with my child's treatment.

Participants are expected to be respectful and considerate towards other participants, BCIT staff including all instructors, and external partner organization instructors. Participants are expected and required to follow the directions of all instructors, to stay in close proximity to their instructors during the program and not leave without consent and informing camp instructors. If there is a breach of these rules, instructors will discuss the issue with the participant and/or their parents or guardian. In the event that there is a continuous break of these rules, BCIT may require the participant to withdraw from the remainder of the camp, without reimbursement of any camp fees. I confirm that I have discussed these rules and expectations with my child.
